Baby Pool

Use this sheet to predict the baby's birth date, gender and weight.

- What the player is betting
- Baby's Birth date
- Baby's gender: Girl or Boy
- Baby's weight in lbs/ounces

Player Name				

You can play **Baby Pool** at your baby shower or you can keep this sheet taped to your refrigerator and have friends and family place their bets as they visit you. Bets should be small and can be in the form of cookies, diapers ... anything. Winner takes all.

According to the Guinness Book of World Records, the world's heaviest baby was born in Canada in 1879. The baby weighed 23.12 lbs! Ouch!
